## Verde AgriTech Announces Dual Listing on the OTCQB Marketplace

**Verde AgriTech Plc** (TSX: "NPK") (OTCQB: "AMHPF") ("Verde" or the "Company") is pleased to announce that the Company's common shares are trading on the OTCQB Venture Market (the "OTCQB") in the United States ("U.S.") under the symbol "AMHPF".

Verde continues to trade on the Toronto Stock Exchange under its current symbol "NPK".

Listing on the OTCQB is part of Verde's overall strategy to increase its potential audience of international investors. It will provide the Company with a significant trading platform for its current shareholders and future investors from the U.S. and internationally.

### **About Verde AgriTech**

Verde AgriTech promotes sustainable and profitable agriculture through the development of its Cerrado Verde Project. Cerrado Verde, located in the heart of Brazil's largest agricultural market, is the source of a potassium-rich deposit from which the Company intends to produce solutions for crop nutrition, crop protection, soil improvement and increased sustainability.

### **Cautionary Language and Forward Looking Statements**

Neither the TSX nor its regulation services provider (as that term is defined in the policies of the TSX) accepts responsibility for the adequacy or accuracy of this release. This press release contains certain "forward looking statements", which include but is not limited to, statements with respect to the future financial or operating performance of the company, its subsidiaries and its projects, and statements regarding use of proceeds. Forward looking statements can generally be identified by the use of words

such as "plans", "expects", or "does not expect" or "is expected", "anticipates" or "does not anticipate", or "believes", "intends", "forecasts", "budget", "scheduled", "estimates" or variations of such words or phrases or state that certain actions, event, or results "may", "could", "would", "might", or "will be taken", "occur" or "be achieved". Forward looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the company to be materially different from any future results, performance or achievements expressed or implied by said statements. There can be no assurances that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in said statements. Accordingly, readers should not place undue reliance on forward-looking statements.
